

A brief on what/who shalom is:

Shalom is a non-governmental organization (NGO) established on July 6th, 2015 by the organization's founder Mrs. Marina Khan, the organization's president. It is registered under the West Bengal Societies Registrations Act, 1961, and under the Income Tax Act's 12AA as a Charitable Institution. It also has income tax exemption under Section 80G(5)(vi), and donations made to this Institute are eligible for the donor's income tax benefit under the aforementioned Exemption Order.

It is an Indian development organization created with the goal of improving and transforming the lives of those in our society who are underprivileged or underdeveloped and who need to be supported and given equal opportunities in the real world. Fundamentally, the overarching goal of all of our initiatives is to promote the equal development of women and children in our society.
